Employees of the Months

Congratulations to our August and September Employees of the Months. Anita (*far right*), was the August Employee of the Month. As a Customer Service Specialist on the HelpLine, Anita takes time to explain information to clients and makes them feel important, speaking to them as if they are part of her own family. Anita is efficient and goes above and beyond in meeting her responsibility.

For September two employees were recognized: Sherrie, Customer Service Specialist II (*top left*) and Xiomara, Customer Service Specialist (*bottom left*). The two worked together to ensure one of our clients was able to find a home after unexpectedly becoming homeless. Through their outstanding team work, they found her a new home, provided groceries and took time out of their personal schedules to help ensure this client was safe and secure.

We appreciate the exceptional work they do for our agency and our clients.
